Subject: Request for Lab Notes for [REDACTED]

Good evening Kate,

I am prosecuting [REDACTED] for possession of illegal narcotics. You performed the analysis of the narcotics, finding them to contain Clonazepam. I am writing to request the lab notes from this analysis. Please let me know if you need any more information. This has been re-scheduled for trial on 11/7/12. I will be sending out a summons this week. Thank you.
